## Overview

With existing levels of dedication to Sigma Gamma Rho Sorority, Inc., becoming a cultured pearl is one of the most unique. It is a milestone of time, as well as financial dedication. Our Cultured Pearls are special to us because they are a precious part of our legacy.

## Eligibility

Applicant must be financial during the sorority year in which she is submitting an application. Applicants must have been inducted on or before June 30, 1968 and have at least 30 years of financial dedication to be eligible for Cultured Pearl status.

## Research Process

This process consists of verifying the information communicated on the Cultured Pearl application. For a more fluid process, please include the most accurate chapter names and dates in which financial membership was held. This process may take 2 to 4 weeks to complete. The process may be extended during peak seasons. There are some cases where additional information may be requested to better assist us with the accuracy of this process. The completion of this process will be signified with notification of approval or denial.

**Deadline:** May 15, 2018
